

Director's Report

September 9, 2020

Story time at the park continues. Numbers have been low, but participants are enjoying it. We will continue this as long as the weather holds.

Enright and Somerville are continuing training on the KOHA circulation system. Migration will take place September 18, 19, and 20. We will go live with the system on September 21. When we are comfortable with the new system we may want to hold a virtual tour with patrons to show them how to navigate their account. There are some nifty features such as reading history and lists.

Somerville will be attending the virtual Association for Rural and Small Libraries conference September 28 through October 2. Enright has vacation scheduled for September 30 through October 7. We will need to work out details on open hours and substitutions. Since we will have a new circulation system, it may be best to be closed.
